# PARTY QUESTIONS:

## Can I order extra pizzas?

Yes. Upon arrival to the party we will ask you if you would like to order additional pizzas. Prices vary from $14 a pie ( depending if you want toppings).

## When do you need the final headcount by?

We will call you a few days before your party to get your headcount.

## Is There a max amount of kids we can invite?

No, but we recommend keeping it under 25 kids.

## When do you need to know our party package?

It's best we know as early as possible, but if you can't decide we will ask you when we get a headcount.

## What if kids don't show up? Will I still be charged?

It happens from time to time. Don't worry. We only charge for the kids who show, but always charge for our minimum (8).

## Can I reschedule my party if my child has to quarantine due to COVID?

Of course! Deposits are non refundable, so we will work with you to find another date and time.

It takes a lot to shut us down ( We made it through 2020 after all). But if a storm hits and it's too dangerous to be on the roads, we will give you options for a snow date ahead of time. It's rare that it happens, but we are prepared if it does. You can always opt to have the party virtually and collect the art boxes a few days prior to give to friends.
